

UNB-480

Versatile Bundler
for Flexible Napkin Packaging

Universal folded-product bundler for medium-volume production can overwrap multiple packs in any configuration from 6 to 96 napkin packs, as fast as 10 bundles/minute. Highly flexible, it can make bundles up to 480 mm in width and 660 mm in length. With option of photo eye for mark registration and handle marker, this bundler becomes robust packer, which can pack not only for transportation purposes but finished products as well.
